

Important Notice for TxPROS Customers
Scheduled Maintenance Outage
June 12, 2016

On Sunday, June 12, TxDMV will take the Texas Permitting and Routing Optimization System (TxPROS) offline for maintenance to the system's servers. TxPROS will be unavailable to customers starting at approximately 7 a.m. on Sunday, June 12th.

The system maintenance is scheduled to be completed no later than 5 p.m. on Sunday, June 12th, but is expected to be back online before Noon on Sunday, June 12th.

Other than an interruption to service, customers will not be impacted by this needed maintenance.

If you have questions regarding this scheduled maintenance please contact the Motor Carrier Division – Oversize/Overweight Permits Section at 1-800-299-1700, Option 2.
